Sam Raimi's *The Evil Dead* (1982) is one of the most inventive and energetic horror movies of the last 40 years. Released during a period in which the stalk-and-slash cycle had blunted the horror genre of much of its creative edge, Raimi's debut feature transcends its small budget and limited resources to deliver a phantasmagoric roller-coaster ride, a wildly absurd and surreal assault on the senses. Still original enough to stand on its own and be considered as a genre classic, this book will explain its long-lasting appeal and impact. After detailing the unique circumstances of its origin, Lloyd Haynes goes on to analyse key aspects of the film's abiding success. *The Evil Dead* is one of a number of horror films which locate their terrors in a single setting and limited time frame. Haynes argues that it creates a 'bad dream' effect in which the nightmare is never-ending and increasingly horrific, and how the cabin-in-the-woods location is also a fine example of the 'bad place' motif which stretches back to the Gothic novels of the 18th century. The book goes on to consider what character traits Ash Williams, *The Evil Dead*'s 'macho' male hero, shares with Carol Clover's 'Final Girl' model and how effective he is as a 'Final Guy'. Finally, it explores the critical

approaches to the film, in particular its notorious reputation in Britain as a 'video nasty'.

Fourteen stories that run the gamut of genres, from comedy to scifi to horror to crime, and span multiple centuries, three continents and two dimensions. Two pirates, stranded amongst a primitive civilisation with unusual ideas about beauty, find their preconceptions challenged and start asking deeper questions than pirates are used to. A pair of grave robbers get more than they bargained for when they dig up a serial killer. A scientist goes to extreme lengths to save her dying husband. A Japanese girl gives advice from beyond the grave. A gardener gets his revenge. A drug lord battles to save his career. A woman swears at a giant holographic paperclip. And so on. Full of unexpected twists, profound ideas and silly jokes. If you don't like them, you must be weird. When Bryan Aarons is attacked by ghosts, he meets his Guardian. His Guardian tells him that he needs to help Melanie Lewis rescue her little sister, Mary, who has been kidnapped by a Hallow that looks like a Hulk. Bryan thinks it is impossible, but he builds on the teaching of his late mother and sets out on his mission. Bryan and Melanie follow the signs through a seemingly solid wall and into a town that they didn't know existed, where they face giant reptiles and a very large vicious dog. They search out the entrance to the corridor that leads them down to the very gates of evil. There they rescue Mary from the evil

keeper of the gates. Faith helps Bryan, Melanie, and Mary get back to safety through the corridor despite tapestries that are traps, witches, large reptiles, walking and talking vegetables, and a normally solid wall. Can skeptical Melanie rescue Bryan and Mary when they fall through a portal back into the corridor, through faith and the help of two converted hallows? Red Room Press is extremely proud to present its fourth annual anthology featuring this year's hardcore corps of authors with the best extreme horror fiction of 2018 that breaks boundaries and trashes taboos. First up is "Vigil" by Chad Lutzke. Chad takes us into a neighborhood where a steady stream of decayed corpses are exhumed from a neighbor's cellar. Extreme olfactory horror at its best. Deborah Sheldon went under the knife for the inspiration of "Hair And Teeth," and the result is a tale of gynaecological body horror likely to terrify women and make most men squeamish. With "Rut Seasons" Brian Hodge makes a return to Year's-Best pages in a tale as chilling as it is heart-wrenching, inspired by a thousand-mile drive littered with roadkill and some personal tragedies. "Control" by Jeff Parsons introduces us to a meth addict stalking potential victims in Central Park to get money for the next score. Annie Neugebauer is back with "Cilantro," a Neugebauerian yarn of culinary chaos sure to turn stomachs and cause nightmares. Tim Waggoner likewise returns this year with

“Voices Like Barbwire,” an exploratory dig into old wounds and painful memories. Rebecca Rowland’s “Bent” wins the Most Cringe-worthy Story honor with her twisted tale of extreme body horror. Her well-drawn characters seem to come off the page but God forbid they do. Their idea of a pretzel party is truly twisted. Scath Beorh takes Lovecraftian cosmic horror to its next level with “Lord of the Mesa.” Sean Patrick Hazlett’s story “The Godhead Grimoire” possesses dangerous religious overtones and a forbidden bloodthirsty book. “Carnal Bodies” by R.E. Hellinger is a shocking story of baroque horror and demonic necrophilia from Two Dead Queens Present: Guillozine. You’ll have to read this one to believe it. In “Crossroads of Opportunity” Ed Kurtz and doungjai gam take you on a-deal-with-the-devil-at-the-crossroads trip with a son driving his dead mother to an uncertain destination. Trouble is, his mother is a bit of a backseat driver and she just won’t shut up. Seras Nikita’s “Dad’s Famous Preserves” won’t do much for your appetite but it will show you a recipe for disaster when a jungle missionary’s foot infection blossoms into a stomach-churning nightmare. “The Bearded Woman,” brought all the way from Rome, Italy, by the inimitable Alessandro Manzetti. His dystopian future tale takes us for a ride in the Bearded Woman’s circus trailer as she and her dwarf husband bring their marriage to a bloody end. Sara Tantlinger’s

“The Devil’s Dreamland” takes us inside the Murder Castle of the infamous H.H. Holmes with her brilliant narrative poem of macabre beauty. Frank Oretó’s “All God’s Creatures Got Reasons” reveals that there are real monsters walking among us, monsters with a savage appetite for young flesh, but they are so skilled at covering their tracks, we never even know they’re there. “The Ugly” by J.R. Park introduces us to a couple of sweet little kids who may have a good reason for torturing and eating cats. It’s a way to keep the Ugly at bay. Or is it? Doug Ford’s “I Have a Confession” takes a coldblooded plunge into sex with a ghost. But what if it’s not a ghost? In “When the Owls Call” Lyman Graves takes us “stealth camping” in a Texas park after hours, where a strange and dangerous gathering is taking place. David Lynch might say, “The owls are not what they seem.” But are they? Jeremy Thompson is back this year with his nefarious pal the Halloween fiend in “Bloodletting and Intrigue On All Hallows’ Eve’.” With a stylistic nod to Ray Bradbury, Jeremy delivers on our promise that something twisted this way comes. Capping it all off, Alicia Hilton serves up “Monkey See, Monkey Do” as a tasty little nightcap (for those with hardcore tastes). Salud! Sleep well. If you can.

tale of Ross and Demelza; of the wayward Valentine Warleggan, whose existence keeps open the old wounds of the feud between Ross and George; of Bella, the Poldarks' youngest daughter, whose precocious talent as a singer is encouraged by her old flame, Christopher Havergal, and by a distinguished French conductor, who has more in mind than Bella's music; of Clowance, the Poldarks' widowed daughter, who considers remarriage to one of two rival suitors; and of a murderer who stalks the villages of west Cornwall. In his Poldark series, Winston Graham explores the complications of love lost and the class struggle of early 19th-century England with a light comic touch. Bella Poldark is the final Poldark book.

The year is 1988. It is Halloween. A high school outcast named Will Pratt is in love with Carla Hoff. He wants nothing more than to accompany her to the costume party. Little does he know that visitors from another planet, both good and bad, have far different plans for him. A bizarre twist of fate is about to put unfathomable power in his hand, power far greater than convincing a girl to be his date to the party. Blood, guts, dismemberment, projectile vampiric uvulas, decapitations, group sex, a lot of green goo and a chance to save the world are in his very near future. Author Jeff O'Brien lays the horror, laughs and satire on extra thick and gooey in this bizarre, original work of his disturbed imagination.

is the story of a man and woman whose love was so great it could bridge the gap of death; of evil so terrible as to be unmentionable, of a vision so beautiful it must be true. The relationship between crime and social media has become an increasingly important topic in a networked world. However, the use of social media in relation to violent crime is little understood. This unique book, by an expert in the field, addresses this gap by analysing what those involved in homicide do with social media. Using three international cases in which perpetrators confessed to homicide on social media, it investigates the practices of those involved, providing a groundbreaking conceptual framework of use to criminologists. It argues that such confessions convey important insights not only into the individual offender but also the social and cultural context of contemporary homicide. When a rogue master vampire named Alejandro hits town and claims Anita Blake, an expert on undead creatures of the night, as his human servant, a war of the undead breaks out between the interloper and Jean-Claude, the city's Master Vampire.

Perspectives in Lexicology and Corpus Linguistics offers an introduction to words and corpus linguistics. From this foundation it explores the much wider issues that are inevitably raised but somehow marginalized in lexicology (the study of words) and corpus linguistics: how are individual words integrated into language? What are the real benefits of studying the large quantities of text now available in corpora? How do we best conceptualize meaning itself?

An “incisive and original” history of the 19th-century Irish secret society that instigated America’s first labor wars in Pennsylvania Coal Country (Peter Quinn, author of *Looking for Jimmy*). A secret society of Irish peasant assassins, the Molly Maguires reemerged in Pennsylvania’s hard-coal region, organizing strikes, murdering mine bosses, and fighting the Civil War draft. Their shadowy twelve-year battle with coal companies marked the beginning of class warfare in America. But little has been written about the origins of this struggle or the peculiar rites, traditions, and culture of the Mollies. *The Sons of Molly Maguire* delves into the lost world of peasant Ireland to uncover the links between the folk justice of the Mollies and the folk drama of the Mummies—a group known in America today for their annual New Year’s parade in Philadelphia. The historic link not only explains much about Ireland’s Mollies—why the killers wore women’s clothing, why they struck around holidays—but also sheds new light on the Mollies’ re-emergence in Pennsylvania. When the Irish arrived in the anthracite coal region, they brought along their ethnic, religious, and political conflicts. Just before the Civil War, a secret society emerged, as did an especially

political form of Mummery. Resurrected amid wartime strikes and conscription, the American Mollies would become a bastion of labor activism.

The riveting true story of mother-and-daughter queens Catherine de' Medici and Marguerite de Valois, whose wildly divergent personalities and turbulent relationship changed the shape of their tempestuous and dangerous century. Set in magnificent Renaissance France, this is the story of two remarkable women, a mother and daughter driven into opposition by a terrible betrayal that threatened to destroy the realm. Catherine de' Medici was a ruthless pragmatist and powerbroker who dominated the throne for thirty years. Her youngest daughter Marguerite, the glamorous "Queen Margot," was a passionate free spirit, the only adversary whom her mother could neither intimidate nor control. When Catherine forces the Catholic Marguerite to marry her Protestant cousin Henry of Navarre against her will, and then uses her opulent Parisian wedding as a means of luring his followers to their deaths, she creates not only savage conflict within France but also a potent rival within her own family. Rich in detail and vivid prose, Goldstone's narrative unfolds as a thrilling historical epic. Treacherous court politics, poisonings, inter-national espionage, and adultery form the background to a story that includes such celebrated figures as Elizabeth I, Mary, Queen of Scots, and Nostradamus. *The Rival Queens* is a dangerous tale of love, betrayal, ambition, and the true nature of courage, the echoes of which still resonate.

From the Author: When crafting a story, I am ever mindful of the parallels between the past and present. Endless wars, indifferent rulers, rising taxes, and corruption, all of which inevitably resulted in a bloody insurrection. An insurrection that, while unsuccessful in the short term, was even referenced by our Founding Fathers during their struggle for freedom. As William Faulkner said, "The past isn't dead; it's not even past," so a knowledge of history is imperative. Throne Lords Among the Ruins

A boy is trapped in a possessed car that has stalled in the path of an oncoming train. A girl is dragged into a crypt during a field trip to an eighteenth-century cemetery. A group of friends meet their fate after an unsettling visit with a backwoods psychic. And that's just the beginning. Celebrated author Vivian Vande Velde is at her spine-tingling best in this collection of thirteen scary stories, all of which take place on Halloween night. With tales that range from the disturbing to the downright gruesome, this is one collection that teens will want to read with the lights on . . . and the doors locked.

For three decades, Rod Bramblett has lived and breathed Auburn University athletics, and in *Touchdown Auburn*, he details all of the unforgettable moments he's witnessed from his spot in the broadcasting booth. An Auburn graduate, Bramblett was the play-by-play announcer of Tigers baseball for 11 seasons before taking over as the voice of the football and men's basketball teams in 2003. Fans will relive and get the behind-the-scenes stories behind the "Miracle at Jordan-Hare" and perhaps the most famous play in recent college football history—Chris Davis' 109-yard return to beat Alabama in 2013—which made Bramblett a household name.

reflection, Stew finds something much more unique: a town that was once steeped in a quagmire of witchcraft, satanic debauchery, and centuries-old occult science. Indeed, Haver-Towne has a most colorful history: "...AND DIDST ON MANY A TYME PERPETRATE DEVILTRY, BLACK MAGICK, INFERNALL PROPHESEIE, AND MURTHUR MOST UNHOLY..." A warlock who sires children with his own daughter, children to be used for something far worse than sacrifice. A witch whose carnal abandon and sheer diabolism stagger even the most demented imaginations. And a 300-year-old mansion in whose walls are embalmed the infernal secret of...Witch-Water. "...AND HATH DIS-ENTRENCHED YE DEAD FROM THEIR GRAVES AND WATCH'D MAIDENS BE RAPED AND HATH SLAUGHTER'D BABES IN THEIR CRIBS, AND REVELLED IN CRIMES UNSPEAKABLE UNTO SCRIPTURE..." "What the hell is witch-water?" Fanshawe asks himself that first day he'd heard the macabre word, but when he finds out, he'll wish he never had. His curiosity unlocks one morbid secret after another, and reveals a history of erotopathic witches, depraved covens, sick-in-the-head sexuality, and the most grotesque method of execution ever devised. "...I HEREBY CONDEMN THEE. AND MAY THY DEATH BE AS ABOMINABLE AS THINE HEART." Join Edward Lee in his over-the-top modern-day tribute to classic horror scribe M.R. James, a novel
