

Battle Angel Alita Vol 3 Killing Angel

Alita works as a bounty hunter in the hopes that she'll find her true self through the crucible of battle. One day, she meets a boy named Yugo who dreams of visiting Zalem, the city in the clouds, and finds herself drawn to his yearning nature. But there is a secret side to Yugo that she cannot fathom... The "Yugo" arc is beloved within the series for its delicate depiction of a heart in love and the shocking unpredictability of its conclusion!

After a mission of vengeance in Helsinki, James Bond returns to London and assumes the workload of a fallen 00 Section agent. His new mission takes him to Berlin, presumably to break up an agile drug-trafficking operation. But Bond has no idea of the forces ranged in secret against him, the full range of an operation that's much scarier and more lethal than he could possibly imagine. Berlin is about to catch fire... and James Bond is trapped inside.

Dynamite Entertainment proudly presents VARGR, the debut storyline in the all-new James Bond comic book series, as crafted by masterful writer Warren Ellis (Transmetropolitan, The Authority) and artist Jason Masters (Batman Incorporated, Guardians of the Galaxy). James Bond is trapped in Los Angeles with a MI6 agent under fire and a foreign intelligence service trying to put them both in bags... and possibly more than one foreign intelligence service. And things may not be any safer in Britain, with bodies dropping and ghosts moving in the political mist..

Alita is close to recovering her friend's brain, but not before she is greeted by Mbadi and a duplicitous Desty Nova doppelganger.

Beautiful battle angel Alita's adventures continue as she awakens in a new cyborg body and encounters a world filled with bizarre and tormented characters.
