But the greatest miracle is the one that's the same today as it was from the beginning. So join in this adventure and see for yourself.

"Deftly and compassionately captures [Ben's] genius in all its entrepreneurial splendor...This tale will keep you entertained."--New York Times Book Review. A former CEO of Ben & Jerry's tells how two '60s holdovers built a single ice cream store into one of America's hottest companies. From modest beginnings--opening their first ice cream shop in a renovated gas station--to entrepreneurial challenges, including their clash with Häagen-Dazs, to becoming a multimillion dollar company, Lager provides an insightful insider's account of Ben & Jerry's ice cream empire.

GLUTEN-FREE GHOULS is a FUN, COLORFUL children's book that will be a DELIGHT TO ALL READERS young and old while sharing a valuable lesson on why it's important to eat healthy! The six Gluten-Free Ghouls characters Gloppy, Bogey, Teaky, Oafie, Pops, and Bonkers live in a giant treehouse and love to play baseball and golf - and they even skateboard! But their favorite thing to do is eat! Join them as they scramble through town gobbling up leftover pizza, spaghetti, and their favorite pies. The only trouble is that their not-so-healthy eating habits begin to create some frustrating and itchy symptoms. Their doctor tells them to eat a gluten-free diet. Gluten-Free Ghouls is a great rhyming book that is sure to bring about some giggles as children enjoy the silly characters while the story builds awareness of the importance of eating well. Food sensitivities like gluten or allergies such as peanuts, dairy, etc. are so prevalent these days and children need to be aware of what can happen even if they don't have celiac disease (a severe innate autoimmune disorder) or aren't allergic to certain foods themselves. It also helps children without gluten sensitivities or allergies to better understand what their friends go through who do have to follow specific diets. As for friends who have celiac disease, gluten sensitivities or food allergies, Gluten-Free Ghouls will show them that others deal with the same issues even six hungry green ghouls. GLUTEN-FREE GHOULS WOULD BE A GREAT ADDITION TO ANY BOOKSHELF IN ANY LIBRARY, SCHOOL, OR HOME. Please visit us online at [glutenfreeghouls.com](http://glutenfreeghouls.com). With an adult's/parent's approval, children can join the GLUTEN-FREE GHOUL'S FAN CLUB and receive a FREE FAN CLUB BOOKMARK when they e-mail [paige@glutenfreeghouls.com](mailto:paige@glutenfreeghouls.com) and share what they like most about the book and who their favorite Gluten-Free Ghouls is.

Brand alchemist, prime minister whisperer and shadow trend tweaker, Jones Byrne did his best contract work remotely, hidden in the seams of his upstate New York factory loft. But one mystery client has made an irresistible offer that will pull him back into the light, and force him to face his greatest failure: his degenerate expat past life in Tokyo. He had barely escaped, just a year ago, before everything flipped upside down and Japan dropped a veil over its largely depopulated, earthquake-scarred cities, cutting off all contact with the outside world. That's around the time the rumors began. They said that Tokyo had returned to its dark, old ways. But this time, warped and infected by the pharmacological and technological graffiti of 2043. This version of Tokyo was a place no foreigner had been unfortunate enough to lay eyes upon. Until now. Byrne's mystery client promised to make him well and truly wealthy, for just one day's work. Just one day. But this will be the hardest day's work of Byrne's life, if he can make it out of Tokyo alive.

"For more than three decades, Ben & Jerry's has been committed to an insanely ambitious three-part mission: not just making the world's best ice cream but also supporting progressive causes and sharing its success with all stakeholders--employees, suppliers, distributors, customers, cows, everybody. Living up to these beliefs is fun when you're doing it right, and it creates amazingly loyal customers, but it isn't easy. This is the first book to tell the full, inside story of the inspiring rise, tragic mistakes, devastating fall, determined recovery, and ongoing renewal of one of the most iconic mission-driven companies in the world. No previous book has focused so intently on the challenges presented by staying true to the mission as the business grew. No other book has explained how the company came to be sold to Unilever, one of the world's biggest corporations. And none has described the unprecedented contract Ben & Jerry's negotiated with Unilever to preserve the three-part mission or the complex working relationship that has allowed the company to pursue that mission on a much larger stage. Brad Edmondson tells the story with a journalist's eye for details, dramatic moments, and memorable characters. Among the dozens of key figures Edmondson interviewed, his most important source was Jeff Furman, who helped Ben and Jerry write their first business plan in 1978 and has stayed involved ever since, serving as chairman of the board since 2010. It's a funny, sad, surprising, and ultimately hopeful story."--Publisher's description.

The Wuffle is a mythical creature living deep in a forest and is unknown by the creatures of that forest or anyone else in the world. This story tells of his discovery and the beginning of what will be many tales of his adventures.

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes and chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

The Demon Inside is the second book in Peter Oxley's Infernal Aether Series, a dark gothic fantasy set in Victorian London described as "fantasy at its best," "epic" and "no holds barred." If you like electrifying action, rich characters and demons galore, then you'll love The Demon Inside.

The must-read summary of Fred "Chico" Lager's book: "Ben & Jerry's: The Inside Scoop, How Two Real Guys Built a Business with a Social Conscience and a Sense of Humor". This complete summary of the ideas from Fred "Chico" Lager's book "Ben & Jerry's: The Inside Scoop" tells the story of Fred "Chico" Lager's experiences in creating this brilliant business. Indeed, in less than 15 years, Ben & Jerry's grew from an ice cream parlour in an abandoned gas station in Burlington, Vermont, to a publicly traded corporation with annual sales of over \$100 million. But what characterises Ben & Jerry's is that this company made it to the top while remaining one of the most innovative, progressive and socially responsible businesses in the world. They stayed true to their vision, fought for what they believed was right, and were generously rewarded. Added-value of this summary: • Save time • Understand the key concepts • Increase your business knowledge To learn more, read "Ben & Jerry's: The Inside Scoop" and discover an inspirational story of two entrepreneurs struggling with their young business and making it a success.

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

With little skill, surprisingly few ingredients, and even the most unsophisticated of ice-cream makers, you can make the scrumptious ice creams that have made Ben & Jerry's an American legend. Ben & Jerry's *Homemade Ice Cream & Dessert Book* tells fans the story behind the company and the two men who built it—from their first meeting in 7th-grade gym class (they were already the two widest kids on the field) to their "graduation" from a \$5.00 ice-cream-making correspondence course to their first ice-cream shop in a renovated gas station. But the best part comes next. *Dastardly Mash*, featuring nuts, raisins, and hunks of chocolate. The celebrated *Heath Bar Crunch*. *New York Super Fudge Chunk*. *Oreo Mint*. In addition to Ben & Jerry's 11 greatest hits, here are recipes for ice creams made with fresh fruit, with chocolate, with candies and cookies, and recipes for sorbets, sundaes, and baked goods.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection *Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard* (unpublished short story) Alone *Heaven's Calling Josh and Holly* could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? *Boy: Built to Love* No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create *A Boy: Built to Love*? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? *The Missing Years of Thomas Pritchard* August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. \* \* \* \* \* August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

In a small wooded lot a busy woman stumbles upon a strange doll the neighbors possibly left. She attempts to reveal who brought the toy to her home, but she uncovers no real leads. Then when a letter turns up asking her to give the doll away as soon as possible, she ends up on the edge of reason as the doll is in the midst of being reclaimed by someone. The doll although small and cuddly resembles a somewhat black entity similar to a doll she keeps in her home, but when a nearby psychic and fortune teller comes to her home asking her to give up the doll to keep her sanity, but she refuses. The stuffed animal then turns out to be more than she bargained for when the bear starts to grow a tail and red eyes. When she discovers those details, she desperately tries to send it away to a pawn shop owner, but the next day he ends up dead, and a new feeling that the stuffed bear may not be what she considered a stuffed cuddly toy anymore. The story focuses on the character of Mary, and the stuffed bear that she

suddenly inherits when the doll is left on her doorstep. She finds that although the stuffed bear did have an owner, he ended up in a mental institution, and the bear was simply left behind, either by someone else or the bear itself. She doesn't want to come to the terms that it could have ended up on her doorstep, by itself, but when the tale that the previous owner claimed is finally revealed, she desperately searches for an answer to the horror of Truggle.

All the Advice You Need to Get In To the College You Want! Getting in to your dream college has never been more competitive. Swamped with applications, admissions officers spend 10-20 minutes on each, looking for reasons to say no. It's crucial that students make it easy for colleges to say yes. In his new book, Brand U, renowned college admissions adviser David Montesano shows you exactly how to position yourself as the kind of applicant colleges are eager to admit. David's proven, easy-to-follow Montesano Method takes the fear and uncertainty out of the admissions process, maximizes your chances of success, and is a guide that addresses the goals and concerns of both students and parents, because going through college applications is a family experience. The Montesano Method has 4 phases: SPARK: Here we identify the most critical element for your college application, your spark. This is what sets you apart from the crowd. FIRE: With your spark, now we build your fire, finding and developing your abilities and experiences that make you exceptional. This process isn't just about college, but life. VISION: What kind of undergraduate experience is right for you? We avoid superficial criteria like magazine rankings and instead guide you to the best undergrad fit for you. BRAND: Here, by positioning how you're different and what you bring to each college, we turn the admissions game around so that you're in control and colleges are pursuing you. The college game is too rough to go it alone. With Brand U, you'll have everything you need to find-and get into-the college of your dreams. Brand U Reviews "David Montesano has written a masterful book on how high school students can brand themselves in a way that will lead to winning more college acceptances. With top schools becoming more exclusive, getting the inside scoop on what excites college admission officers is invaluable. I highly recommend that parents and teenagers read this book." Lynn O'Shaughnessy, Education and Finance Writer, CBS Moneywatch "Montesano expertly translates tried and tested strategies and marketing techniques into a "how to" get-into-the-college-of- your-choice guide. His techniques work. I know, because my son got into 14 of the 15 schools he applied to, including his "reach" schools. Do not apply without reading this first!" John McLaughlin, Former CEO and Group President, Monster.com About the Author: David Montesano is founder of College Match (collegematchus.com) - a leading global educational consultancy; more than 96% of Montesano Method students have gained admission to their "reach" colleges and graduate schools, winning merit scholarships averaging \$57,000 - the largest amount for students whose awards are being measured. Brand U is David's second book; his first was 10 Strategic College Admission Steps (College Bound News). Termed a "new breed" of college admission consultant by The Washington Post/Newsweek, David contributes to articles in The New York Times, U.S. News & World Report's "Best Colleges," the CBS Moneywatch Blog, Seattle Magazine and Newsweek/Daily Beast. Appearances include CBS-TV in San Francisco and on radio shows and webcasts including Michael Dresser Live and College Week Live. David also offers the Montesano Methodology in a six-part video course available at [www.Uninfluence.com](http://www.Uninfluence.com).

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

Commercial success need not come at the cost of human value. Just ask Ben and Jerry, whose first ice cream shop in an abandoned Vermont gas station grew into a \$160 million business. Yet Ben & Jerry continue to use the power of business to change the world. With its seemingly wacky antics, controversial social and political stands, and iconoclastic corporate policies, the company that's come to embody socially responsible business has drawn the scepticism of business analysts, the criticism of media cynics - and the amazement- and ultimately, the respect- of the business world and the people in it. As Ben and Jerry explain in DOUBLE-DIP, they haven't always known exactly what they were doing, but they've always known why they were doing it. There's a method to their madness; that method is what they call 'values-led business.' BEN & JERRY'S DOUBLE-DIP explains what values-led business is, why it's the best model for business today, and how anyone who owns, works for, invests in, or shops with a company can help make it a socially responsible business.
