After a daring escape into the frigid Siberian wilds with her best friend, Bogdan, Lina vows to reach Moscow and find her long-lost grandmother, whom she hopes will help her return to the camp to rescue her mother. But out in the dark forests and haunted tundras, Lina and Bogdan catch the eye of a vengeful witch, a refugee of oppressive new laws about magic, who commands an army of shadow wolves. She seems drawn to some mysterious power within Lina herself. fun and festivities involve the whole family and end with some surprise special guests. A Children's Book About Family This children's book was created as a family project, it portrays good family values and good wholesome activities. When our children were young, we enjoyed our time reading children's stories together with them. Works by Dr. Seuss, Maurice Sendak, and Beatrix Potter made frequent visits from the library to our home. Over time, we came to realize that we were indeed "book people", and wanted to share the joy of reading and of children's stories in particular with others. We hope you enjoy our book, toddlers, children, and the child in each of us.

Everyone likes to be remembered on their birthday! However, finding a card with the perfect sentiment is challenging. After all, what single expression can give someone a good laugh, move them deeply, yet also make them feel appreciated? The Birthday Book says it all. You bring magic into the world my friend, and with your magic this world becomes a better place to live in. -Author unknown The Birthday Book is a curated collection of quotes taken from an amazing array of personalities including Dr. Seuss, Albert Einstein, William Shakespeare, Oscar Wilde, and many more. The quotes contained in this volume have been chosen for their ability to cast both levity and illumination across the path of life and aging. To describe them as "birthday quotes" would be misleading; they are not about cake and ice cream. Instead, each quote has been selected from thousands for its insight on subject of birthdays, youth, aging, and the beauty of life. And of course, what birthday book would be complete without a little humor? This book has been organized into several sections: Humor about life and aging. How do we define youth and old age? What can we expect from each of life's stages? How can we make the most of life? Quotes that inspire. Aging can be a noble and graceful process, each chapter of life filled with its own unique pleasures, gratification, and advantages. Give this book in honor of someone special, or celebrate your own life! May it offer both wit and wisdom. Greeting cards are read once then thrown away, but a book of wisdom can inspire for a lifetime. Give an unforgettable gift! TheQuoteWell books are curated collections. Each book is the result of an exhaustive search from past through present for only the most amazing quotes on the subjects of Love, Life, Leadership, and more! The result is a chorus of profound wisdom emanating from a fascinating diversity of speakers.

In this hilarious, kid-friendly homage to food and birthdays, Cupcake runs through tons of ideas while her best friend, Blueberry Muffin, finds reasons why they won't work: Soup gets seasick; Donut melts in the sun; someone might get squashed during musical chairs; and Cupcake is not very good at limbo (her icing might get sliced off!). Just as Cupcake is ready to crumble, Blueberry Muffin has one last idea that just might save the day. With laugh-out-loud visual gags (like a band made up of beans--the musical fruit, of course), this book is sure to put a birthday smile on any kid's face (and on adult faces as well).
