Coldplay - Visual Sheet Music with Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. This book contains the best of Coldplay in piano tablature; a color coded, easy interpretation of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue note letters. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a Coldplay song this book is for you. This method of tablature is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano.

Raymond Briggs' charming Christmas story of the boy who builds a snowman who comes to life, and their adventures together, has become a children's classic. It's popularity has been further enhanced by frequent television broadcasts of the award winning cartoon film The Snowman. In this suit for clarinet and piano, composer Howard Blake recreated the story in words and music based on the scenes from the film. The music, which includes the hit song Walking in the Air, is easy enough to be played by pianists and clarinet players of all ages and abilities.

I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me ... I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence ... Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years; I don't quite know how or why. I still feel his presence every day of my existence. The Medellin cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellin cartel, Pablo Escobar Gaviria's right-hand man ... How can I make you understand I'm a new man ... that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom ... A prisoner of my own mind, I'll try to fight to find some peace ... It's very cold ... now it's August 2014. I'm one step from freedom and I'm still breathing ... still here in this dimly lit cell in the maximum security prison in Cómbita, Boyacá. Aylmer is a brilliant and recognized scientist and philosopher who drops his focus from his career and experiments to marry the beautiful Georgiana (who is physically perfect except for a small red birthmark in the shape of a hand on her cheek). As the story progresses, Aylmer becomes unnaturally obsessed with the birthmark on Georgiana's cheek. One night, he dreams of cutting the birthmark out of his wife's cheek (removing it like scraping the skin from an apple) and then continuing all the way to her heart. He does not remember this dream until Georgiana asks about what his sleep-talking meant. When Aylmer remembers the details of his dream, Georgiana declares that she would rather risk her life having the birthmark removed from her cheek than to continue to endure Aylmer's horror and distress that comes upon him when he sees her. The following day, Aylmer deliberates and then decides to take Georgiana to the apartments where he keeps a laboratory. He glances at Georgiana casually and normally but can't help but shudder violently at seeing her imperfection; Aylmer's reaction causes her to faint. When she awakens, he treats her warmly and comforts her with some of his scientific concoctions but when he attempts to take a portrait of her, the image is blurred save for her birthmark revealing the disgust he has of it. He experiments some more and describes some of the successes to her but as he questions how she is feeling, Georgiana begins to suspect that Aylmer has been experimenting on her the

entire time without her knowledge and consent. One day, she follows him into his laboratory, and on seeing her there, Aylmer accuses her of not trusting him and says that having her birthmark in the room will foil his efforts. She professes complete trust in him but demands that he inform her of his experiments. He agrees and reveals that his current experiment is his last attempt to remove the birthmark, and Georgiana vows to take the potion, regardless of any danger it poses to her.
