seven years, he suddenly "finds his feet" and becomes dux of one of India's most prestigious colleges. Later he becomes an officer in one of the Indian Army's most famous regiments and Adjutant of its premier battalion. Laugh at his misfortunes and exult in his successes. At age four he barely escapes a kidnap attempt, he travels to boarding school on the world's most famous railway, Darjeeling's toy train, which was once chased by a wild elephant. Accompany the author as he goes to catch a monkey and shoot a panther, and as his Brigade confronts the Russians over possession of the Iranian oilfields; and he reads fairy tales to a blood-thirsty Pathan warrior who asks if the stories are true! Feel the desperation of millions as murder and mayhem stalk the Indian sub-continent. See the refugee trains, ushered in by the granting of independence to India in 1947 when inter-communal violence spawned ten million refugees overnight and one million hapless men, women and children were slaughtered.

Like Richard Ellmann’s James Joyce, Richard Zenith’s *Pessoa* immortalizes the life of one of the twentieth century’s greatest writers. Nearly a century after his wrenching death, the Portuguese poet Fernando Pessoa (1888–1935) remains one of our most enigmatic writers. Believing he could do “more in dreams than Napoleon,” yet haunted by the specter of hereditary madness, Pessoa invented dozens of alter egos, or “heteronyms,” under whose names he wrote in Portuguese, English, and French. Unsurprisingly, this “most multifarious of writers” (*Guardian*) has long eluded a definitive biographer—but in renowned translator and Pessoa scholar Richard Zenith, he has met his match. Relatively unknown in his lifetime, Pessoa was all but destined for literary oblivion when the arc of his afterlife bent, suddenly and improbably, toward greatness, with the discovery of some 25,000 unpublished papers left in a large, wooden trunk. Drawing on this vast archive of sources as well as on unpublished family letters, and skillfully setting the poet’s life against the nationalist currents of twentieth-century European history, Zenith at last reveals the true depths of Pessoa’s teeming imagination and literary genius. Much as Nobel laureate José Saramago brought a single heteronym to life in *The Year of the Death of Ricardo Reis*, Zenith traces the backstories of virtually all of Pessoa’s imagined personalities, demonstrating how they were projections, spin-offs, or metamorphoses of Pessoa himself. A solitary man who had only one, ultimately platonic love affair, Pessoa used his and his heteronyms’ writings to explore questions of sexuality, to obsessively search after spiritual truth, and to try to chart a way forward for a benighted and politically agitated Portugal. Although he preferred the world of his mind, Pessoa was nonetheless a man of the places he inhabited, including not only Lisbon but also turn-of-the-century Durban, South Africa, where he spent nine years as a child. Zenith re-creates the drama of Pessoa’s adolescence—when the first heteronyms emerged—and his bumbling attempts to survive as a translator and publisher. Zenith introduces us, too, to Pessoa’s bohemian circle of friends, and to Ophelia Quieroz, with whom he exchanged numerous love letters. Pessoa reveals in equal force the poet’s unwavering commitment to defending homosexual writers whose books had been banned, as well as his courageous opposition to Salazar, the Portuguese dictator, toward the end of his life. In stunning, magisterial prose, Zenith contextualizes Pessoa’s posthumous literary achievements—especially his most renowned work, *The Book of Disquiet*. A modern literary masterpiece, *Pessoa* simultaneously immortalizes the life of a literary maestro and confirms the enduring power of Pessoa’s work to speak prophetically to the disconnectedness of our modern world.

The main objective of *Chinese-English Contrastive Grammar: An Introduction* is to familiarize the reader with a subset of the learning difficulties and common errors in ESL/EFL pronunciation and lexico-grammatical structures encountered by Chinese learners and users of English, in Hong Kong and beyond. It also helps readers understand some of the ways in which the Chinese language has undergone structural change as a result of Europeanization. The book begins with a review of Cantonese-English contrastive phonology and is followed by a detailed analysis of lexico-grammatical deviations found among Chinese ESL/EFL learners. It concludes with a brief history of the Europeanization of the Chinese language and a discussion of commonly encountered lingua-cultural problems encountered by Chinese users of English in intercultural communication settings. This book is written primarily for teachers and students specializing in language-related

disciplines. Scholars who wish to understand the acquisitional challenges for Chinese students in the process of learning English as an additional language will also find the book an informative reference. A must-read for all who are interested in the similarities and differences between the two languages, and why.' —K. K. Luke, Nanyang Technological University 'This is a book which has long been needed. Drawing on their own research and teaching experience, the authors have produced a linguistically accurate and insightful, but also very readable book. It should be required reading for language teachers in Hong Kong and the Greater China region.' —Stephen Matthews, University of Hong Kong

"Alif had never set foot outside of West Sumatra. He passed his childhood days searching for fallen durian fruit in the jungle, playing soccer on rice paddies, and swimming in the blue waters of Lake Maninjau. His mother wants him to attend an Islamic boarding school, a pesantren, while he dreams of public high school. Halfheartedly, he follows his mother's wishes. He finds himself on a grueling three-day bus ride from Sumatra to Madani Pesantren (MP) in a remote village on Java. On his first day at MP, Alif is captivated by the powerful phrase *man jadda wajada*. He who gives his all will surely succeed. United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at the clouds on the horizon, seeing in them their individual dreams of far-away lands, like America and Europe. Where would these dreams take them? They didn't know. What they did know was: never underestimate dreams, no matter how high they may be. God truly is The Listener. *The Land of Five Towers* is the first book in a trilogy written by A. Fuadi—a former TEMPO & VOA reporter, photography buff, and a social entrepreneur. He went to George Washington University and Royal Holloway, University of London for his masters. A portion of the royalties from the trilogy are intended to build Komunitas Menara, a volunteer-based social organization which aims to provide free schools, libraries, clinics and soup kitchens for the less fortunate. Despite an indifferent father and a mother who develops a serious mood disorder, young twins Kevin and Robert, and their younger brother Jonah, experience an idyllic early life in rural Manitoba during the 1950s while in the loving care of their grandparents. However, that life comes to an abrupt end after their father converts to the esoteric beliefs of the Radio Church of God, a radical fundamentalist sect that preaches strict discipline in preparation for an anticipated end time worldwide cataclysm. Forced to move back home to live with their parents, the boys are victimized by their father's extreme religious fanaticism, which for the twins, includes indoctrination sessions, beatings, and confinement in a basement coal cellar. Rather than giving in to their father's brutality and brainwashing efforts, the twins remain strong and find clever ways to survive their circumstances and even thrive within them. Determined to be their younger brother's keeper, the twins and Jonah form an unbreakable bond – a proverbial threefold cord. It is a bond of mutual support for one another that enables them to better cope with their father's abusive and controlling behaviour. Although fictional, *The Threefold Cord* explores many of the real-life beliefs and practices of the Radio Church of God and deftly examines the grey area between a cult and a religion, between discipline and abuse, and asks what it takes for a person to decide where those lines should be drawn.
