The highly anticipated new novel from the author of *A Snicker of Magic*

Examines the life of the head of the chocolate factory empire, describing his fatherless upbringing by a strict Mennonite mother, his failures with two early candy companies, and his construction of the utopian Hershey village.

Susan offers a fantastic collection of 12 fables... for adults!

You will find topics suitable for our time such as battling ignorance, mankind's agendas, unity, diversity, personal freedom, environmental responsibility, and more. Each illustrated story comes from Susan's extraordinary dreams, dating as far back as the 1970's. Every story is explained through a lens of cognitive mindfulness in commentary. You will see that the entities of these dreams convey a message of empowerment through accountability and strength through unity. Thought prompts are provided to discuss or reflect on these messages. Susan suggests that some fear may be eliminated through a change in perception, and that this book can help with that. If you feel that you were born in the wrong time, if you feel trapped, if you are plagued by guilt, or if you are afraid of going through life unnoticed... Even more than these are addressed by the entities.

From National Book Award finalist Laini Taylor comes an epic fantasy about a mythic lost city and its dark past. would take someone bolder than he to cross half the world in search of it. Then a stunning opportunity presents itself, in the form of a hero called the Godslayer and a band of legendary warriors, and he has to seize his chance or lose his dream forever. What happened in Weep two hundred years ago to cut it off from the rest of the world? And who is the blue-skinned goddess who appears in Lazlo's dreams? In this sweeping and breathtaking novel by National Book Award finalist Laini Taylor, author of the New York Times bestselling Daughter of Smoke & Bone trilogy, the shadow of the past is as real as the ghosts who haunt the citadel of murdered gods. #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No*

Children Here “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

It’s a bitterly cold February in 1961, and Sandy Greenberg lies in a hospital bed in Detroit, newly blind. A junior at Columbia University from a Jewish family that struggled to stay above the poverty line, Sandy had just started to see the world open up to him. Now, instead of his plans for a bright future—Harvard Law and politics—Sandy faces a new reality, one defined by a cane or companion dog, menial work, and a cautious path through life. But that’s not how this story ends. In the depth of his new darkness, Sandy faces a choice—play it “safe” by staying in his native Buffalo or return to Columbia to pursue his dreams. With the loving devotion of his girlfriend (and now wife) Sue and the selflessness of best friends Art Garfunkel and Jerry Speyer, Sandy endures unimaginable adversity while forging a life of exceptional achievement. From his time in the White House working for President Lyndon B. Johnson to his graduate studies at Harvard and Oxford under luminaries such as Archibald Cox, Sir Arthur Goodhart, and Samuel Huntington, and through the guidance of his invaluable mentor David Rockefeller, Sandy fills his life and the lives of those around him with a radiant light of philanthropy, entrepreneurship, art, and innovation. *Rivers Wanted* is the inspirational story of how God

biographies—covering historical figures such as Abraham Lincoln and Helen Keller as well as contemporary figures such as Toni Morrison and Michael Jordan—critically acclaimed writer and psychologist Sandra McLeod Humphrey teaches young people that heroes were once ordinary people whose strength of character helped them to achieve extraordinary things. Starting with only their dreams, they worked hard and overcame obstacles to make their dreams come true. Some overcame physical handicaps, others psychological barriers like extreme shyness or feelings of inferiority; some faced racial discrimination or educational disadvantage, others financial burdens. In spite of these frustrations and discouragements, all of these people discovered in themselves the patience, perseverance, and determination to pursue their dreams beyond every obstacle. The message is clear: No matter who you are or where you come from, you too can accomplish extraordinary things, as long as you dare to dream and never, never, never give up!
