

Go A Kidds To Graphic Design

“LOL funny.” –Girls Life A middle schooler comes head-to-head with his vampire slayer crush in this laugh-out-loud funny graphic novel that’s a perfect coming-of-age story for anyone who’s ever felt too young, too small, or too average. It’s the beginning of the new school year and AJ feels like everyone is changing but him. He hasn’t grown or had any exciting summer adventures like his best friends have. He even has the same crush he’s harbored for years. So AJ decides to take matters into his own hands. But how could a girl like Nia Winters ever like plain vanilla AJ when she only has eyes for vampires? When AJ and Nia are paired up for a group project on Transylvania, it may be AJ’s chance to win over Nia’s affection by dressing up like the vamp of her dreams. And soon enough he’s got more of Nia’s attention than he bargained for when he learns she’s a slayer. Now AJ has to worry about self-preservation while also trying to save everyone he cares about from a real-life threat lurking in the shadows of Spoons Middle School.

Heather Nuhfer and P.C. Morrissey team up in this fun story about game night with the Titans! The Titans have a regular game of Basements and Basilisks, but when the basement boss (Robin, of course) tries to make the game super fun by making it super-impossible to win, the team rebels. Their new BB is much more fun-and she actually lets them complete their quests, which is excellent motivation to keep playing. But the Boy Wonder begins to worry that the Titans will be trapped in their imaginations forever, going on endless, easy-breezy quests, neglecting their duties in Jump City. There might also be problems with the campaign's most important relic, the "Anklet of Extreme Crushing (and Chafing)," which Robin has tightly clasped to his leg. Rhino-B is a brash, but sweet guy. Stag-B is a calm and scholarly adventurer. Together these two young beetles make up the Bug Boys, best friends who spend their time exploring the world of Bug Village and beyond, as well as their own - sometimes confusing and complicated - thoughts and feelings. In their first adventure, the Bug Boys travel through spooky caves, work with a spider to found a library, save their town's popular honey supply from extinction, and even make friends with ferocious termites! What challenges will these two earnest beetles face? Whatever it is, you can be sure that Rhino-B and Stag-B will face it together -- with the power of friendship behind them.

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tidlers beckoned waves, and Zelie's Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

A true story from Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile*, *Sisters*, *Drama*, and *Ghosts*! Raina wakes up one night with a terrible upset stomach. Her mom has one, too, so it's probably just a bug. Raina eventually returns to school, where she's dealing with the usual highs and lows: friends, not-friends, and classmates who think the school year is just one long gross-out session. It soon becomes clear that Raina's tummy trouble isn't going away... and it coincides with her worries about food, school, and changing friendships. What's going on? Raina Telgemeier once again brings us a thoughtful, charming, and funny true story about growing up and gathering the courage to face -- and conquer -- her fears.

Perfect for fans of Raina Telgemeier, *Awkward*, and *All's Faire in Middle School*, this graphic novel follows a neighborhood of kids who transform ordinary cardboard into fantastical homemade costumes as they explore conflicts with friends, family, and their own identity. "A breath of fresh air, this tender and dynamic collection is a must-have." --Kirkus, Starred Welcome to a neighborhood of kids who transform ordinary boxes into colorful costumes, and their ordinary block into cardboard kingdom. This is the summer when sixteen kids encounter knights and rogues, robots and monsters--and their own inner demons--on one last quest before school starts again. In the Cardboard Kingdom, you can be anything you want to be--imagine that! The Cardboard Kingdom was created, organized, and drawn by Chad Sell with writing from ten other authors: Jay Fuller, David DeMeo, Katie Schenkel, Kris Moore, Molly Muldoon, Vid Alliger, Manuel Betancourt, Michael Cole, Cloud Jacobs, and Barbara Perez Marquez. The Cardboard Kingdom affirms the power of imagination and play during the most important years of adolescent identity-searching and emotional growth. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS * THE NEW YORK PUBLIC LIBRARY * SCHOOL LIBRARY JOURNAL * A TEXAS BLUEBONNET 2019-20 MASTER LIST SELECTION "There's room for everyone inside The Cardboard Kingdom, where friendship and imagination reign supreme." --Ingrid Law, New York Times bestselling author of *Savvy* "A timely and colorful graphic novel debut that, like its many offbeat but on-point characters, marches to the beat of its own cardboard drum." --Tim Federle, award-winning author of *Better Nate Than Ever*

Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphine likes to jump rope. But while the way they play may differ, the shared rhythm of their days—and this one world we all share—unites them. This genuine exchange provides a window into traditions that may be different from our own as well as a mirror reflecting our common experiences. Inspired by his own travels, Matt Lamothe transports readers across the globe and back with this luminous and thoughtful picture book.

Career-seekers looking for a field that will take advantage of their artistic talents will find this volume immensely helpful. Readers will learn about the varied environments in which graphic designers work and the expectations that different kinds of companies have of their employees. They'll learn how high school courses, college courses, extracurricular activities, online training resources, and internships can help prepare them for careers in computer and graphic design. There are even practical tips on getting and keeping your first job in this competitive field, as well as a useful overview of the tools and software of the trade.

The Newbery Honor Award Winner and New York Times bestseller *Roller Girl* is a heartwarming graphic novel about friendship and surviving junior high through the power of roller derby—perfect for fans of Raina Telgemeier's *Smile*! For most of her twelve years, Astrid has done everything with her best friend Nicole. But after Astrid falls in love with roller derby and signs up for derby camp, Nicole decides to go to dance camp instead. And so begins the most difficult summer of Astrid's life as she struggles to keep up with the older girls at camp, hang on to the friend she feels slipping away, and cautiously embark on a new friendship. As the end of summer nears and her first roller derby bout (and junior high!) draws closer, Astrid realizes that maybe she is strong enough to handle the bout, a lost friendship, and middle school... in short, strong enough to be a roller girl. In this graphic novel debut that earned a Newbery Honor and five starred reviews, real-life derby girl Victoria Jamieson has created an inspiring coming-of-age story about friendship, perseverance, and girl power!

Although graphic design is all around us, we rarely take time to notice and appreciate it. Advertisements, logos, websites, and more all rely on graphic design to create eye-catching content. This volume explores the skills artists need to

produce aesthetically pleasing designs and the development of this field into the major industry it is today. Information is included for readers who are interested in pursuing graphic design as a career, and striking photographs display some of the most innovative examples of this prominent medium.

Louis I. Kahn: The Nordic Latitudes is a new and personal reading of the architecture, teachings, and legacy of Louis I. Kahn from Per Olaf Fjeld's perspective as a former student. The book explores Kahn's life and work, offering a unique take on one of the twentieth century's most important architects. Kahn's Nordic and European ties are emphasized in this study that also covers his early childhood in Estonia, his travels, and his relationships with other architects, including the Norwegian architect Arne Korsmo. The authors have gathered personal reflections, archival material, and other student work to offer insight into the wisdom that Kahn imparted to his students in his famous masterclass. Louis I. Kahn: The Nordic Latitudes addresses Kahn's legacy both personally and in terms of the profession, documents a research trip the University of Pennsylvania's Louis I. Kahn Collection, and confronts the affiliation of Kahn's work with postmodernism.

'Show me something I've never seen before and will never be able to forget - if you can do that, you can do anything.' It's 1957, long before computers have replaced the trained eye and skilful hand. Our narrator at State University is determined to major in Art, and after several risible false starts, he accidentally ends up in a new class: 'Introduction to Graphic Design'. His teacher is the enigmatic Winter Sorbeck, equal parts genius, seducer and sadist. Sorbeck is a bitter yet fascinating man whose assignments hurl his charges through a gauntlet of humiliation and heartache, shame and triumph, ego-bashing and enlightenment. Along the way, friendships are made and undone, jealousies simmer, and the sexual tango weaves and dips. By the end of their 'Introduction to Graphic Design', Sorbeck's students will never see the world in the same way again. And, with Chip Kidd's insights into the secrets of graphic design, neither will you.

How do designers get ideas? Many spend their time searching for clever combinations of forms, fonts, and colors inside the design annuals and monographs of other designers' work. For those looking to challenge the cut-and-paste mentality there are few resources that are both informative and inspirational. In Graphic Design: The New Basics, Ellen Lupton, best-selling author of such books as Thinking with Type and Design It Yourself, and design educator Jennifer Cole Phillips refocus design instruction on the study of the fundamentals of form in a critical, rigorous way informed by contemporary media, theory, and software systems

A New York Times bestseller! Making friends isn't easy, but losing them is even harder! Natalie has never felt that she's enough -- athletic enough, stylish enough, or talented enough. And on the first day of middle school, Natalie discovers that things are worse than she thought -- now she's not even cool enough for her best friend, Lily! As Natalie tries to get her best friend back, she learns more about her true self and natural talents. If Natalie can focus on who she is rather than who she isn't, then she might realize she's more than enough, just the way she is.

A Coretta Scott King Author Honor and Boston Globe / Horn Book Honor winner! "Powerful.... Johnson writes about the long shadows of the past with such ambition that any reader with a taste for mystery will appreciate the puzzle Candice and Brandon must solve." -- The New York Times Book Review When Candice finds a letter in an old attic in Lambert, South Carolina, she isn't sure she should read it. It's addressed to her grandmother, who left the town in shame. But the letter describes a young woman. An injustice that happened decades ago. A mystery enfolding its writer. And the fortune that awaits the person who solves the puzzle. So with the help of Brandon, the quiet boy across the street, she begins to decipher the clues. The challenge will lead them deep into Lambert's history, full of ugly deeds, forgotten heroes, and one great love; and deeper into their own families, with their own unspoken secrets. Can they find the fortune and fulfill the letter's promise before the answers slip into the past yet again? Winner of the Alex Award "Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

An intimate glimpse into the professional and romantic relationship between Harriet Pattison and the renowned architect Louis Kahn On a winter day in 1953, a mysterious man in a sheepskin coat stood out to Harriet Pattison, then a theater student at Yale. She would later learn he was the architect Louis Kahn (1901–1974). This chance encounter served as preamble to a fifteen-year romance, with Pattison becoming the architect's closest confidante, his intellectual partner, and the mother of his only son. Here for the first time, Pattison recounts their passionate and sometimes searing relationship. Married and twenty-seven years her senior, Kahn sent her scores of letters—many from far-flung places—until his untimely death. This book weaves together Pattison's own story with letters, postcards, telegrams, drawings, and photographs that reveal Kahn's inner life and his architectural thought process, including new insight into some of his greatest works, both built and unbuilt. What emerges is at once a poignant love story and a vivid portrait of a young woman striving to raise a family while forging an artistic path in the shadow of her famous partner.

From the critically acclaimed author of Allegedly, Tiffany D. Jackson, comes a gripping new novel perfect for fans of E. Lockhart and Gillian Flynn about the mystery of one teenage girl's disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more

sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday wouldn't just leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems to remember the last time they saw Monday. How can a teenage girl just vanish without anyone noticing that she's gone?

"Thinking with Type is to typography what Stephen Hawking's A Brief History of Time is to physics."—I Love Typography
The best-selling Thinking with Type in a revised and expanded second edition: Thinking with Type is the definitive guide to using typography in visual communication. Ellen Lupton provides clear and focused guidance on how letters, words, and paragraphs should be aligned, spaced, ordered, and shaped. Thinking with Type is the typography book for everyone: designers, writers, editors, students, and anyone else who works with words. If you love font and lettering books, Ellen Lupton's guide reveals the way typefaces are constructed and how to use them most effectively. Fans of Thinking with Type will love Ellen Lupton's new book Extra Bold: A Feminist, Inclusive, Anti-racist, Nonbinary Field Guide for Graphic Designers.

A fun, playful look at the importance of first impressions—in design and in life—from acclaimed book designer Chip Kidd. First impressions are everything. They dictate whether something stands out, how we engage with it, whether we buy it, and how we feel. In Judge This, renowned designer Chip Kidd takes us through his day as he takes in first impressions of all kinds. We follow this visual journey as Kidd encounters and engages with everyday design, breaking down the good, the bad, the absurd, and the brilliant as only someone with a critical, trained eye can. From the design of your morning paper to the subway ticket machine to the books you browse to the smartphone you use to the packaging for the chocolate bar you buy as an afternoon treat, Kidd reveals the hidden secrets behind each of the design choices, with a healthy dose of humor, expertise, and of course, judgment as he goes. Judge This is a design love story, exposing the often invisible beauty and betrayal in simple design choices—ones most of us never even think to notice. And with each object, Kidd proves that first impressions, whether we realize it or not, have a huge impact on the way we perceive the world.

Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!

Go: A Kidd's Guide to Graphic Design Workman Publishing

"An excellent introduction to graphic design through [the author's] own excellent work. Anyone interested in the subject, including most practitioners, will find it delightful."—Milton Glaser Kids love to express themselves, and are designers by nature—whether making posters for school, deciding what to hang in their rooms, or creating personalized notebook covers. Go, by the award-winning graphic designer Chip Kidd, is a stunning introduction to the ways in which a designer communicates his or her ideas to the world. It's written and designed just for those curious kids, not to mention their savvy parents, who want to learn the secret of how to make things dynamic and interesting. Chip Kidd is "the closest thing to a rock star" in the design world (USA Today), and in Go he explains not just the elements of design, including form, line, color, scale, typography, and more, but most important, how to use those elements in creative ways. Like putting the word "go" on a stop sign, Go is all about shaking things up—and kids will love its playful spirit and belief that the world looks better when you look at it differently. He writes about scale: When a picture looks good small, don't stop there—see how it looks when it's really small. Or really big. He explains the difference between vertical lines and horizontal lines. The effect of cropping a picture to make it beautiful—or, cropping it even more to make it mysterious and compelling. How different colors signify different moods. The art of typography, including serifs and sans serifs, kerning and leading. The book ends with ten projects, including an invitation to share your designs at GoTheBook.com.

Instant National Bestseller The first volume of the graphic adaptation of Yuval Noah Harari's smash #1 New York Times and international bestseller recommended by President Barack Obama and Bill Gates, with gorgeous full-color illustrations and

concise, easy to comprehend text for adult and young adult readers alike. One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? In this first volume of the full-color illustrated adaptation of his groundbreaking book, renowned historian Yuval Harari tells the story of humankind's creation and evolution, exploring the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* challenges us to reconsider accepted beliefs, connect past developments with contemporary concerns, and view specific events within the context of larger ideas. Featuring 256 pages of full-color illustrations and easy-to-understand text covering the first part of the full-length original edition, this adaptation of the mind-expanding book furthers the ongoing conversation as it introduces Harari's ideas to a wide new readership.

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (*Time*), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—*The Boston Globe*

A thrilling new series soars above the competition and redefines middle-grade fantasy fiction for a new generation!The seven dragon tribes have been at war for generations, locked in an endless battle over an ancient, lost treasure.
