Stop coasting on autopilot—with this five-step method filled with “simple yet effective life changing principles” (John Gray, PhD). Dolly Parton once said, “Find out who you are and do it on purpose.” Many people today have no passionate connection to the routine work they do day in and day out. The good news is that it doesn’t have to be this way. In *The Passion Belief Method*, entrepreneur success strategist and in-demand life and business coach and speaker Megan Tull offers practical exercises and methods to help you find your gifts and turn them into work you can be truly passionate about. Megan, who became a single mother after being widowed at an early age, used her passion for raising her young son as the starting point for creating a business that allowed her to stay closer to home but to also triple her income in the first year. Now Megan leans on her experiences to teach you her 5-Step Passion Belief Method. Filled with true stories from Megan’s many clients and inspiring quotes from other high achievers, speakers, and writers, *The Passion Belief Method* will teach you how to unlock your inner gifts, overcome your fears, and visualize what you want and who you’ll be when you have it—then bring that into being.

Simple ways to improve your life each day. This book will guide you through steps you can take now to invest in your future, better self.

Shows how working women can increase their earning power by taking advantage of their individual skills and unique abilities, explaining how to sell oneself in the workplace, discover one's special talents, avoid bad financial habits, and more. Original.

Unrealized potential can be a source of constant frustration and create days that lack solid meaning. What would it take to wake up and recognize your value? *The Courage Coach*, Peter Hobler uses his life-transforming style to empower readers to move past their subconscious fears, setting them firmly on the path to success. Accomplish clarity when it comes to your priorities in the workplace, home and family by challenging the form and utilizing powerful tools to find your passion for what is important once again. *Courage to Find the Fire Within* allows you to replace fear with more productive character traits, such as gratitude and living life with excellence. The result is an increase in your momentum to the point of becoming unstoppable. This happens by getting clear, finding your source of inspiration, and understanding how to tap into your unrealized potential.

The world of investing normally sees experts telling us the 'right' way to manage our money. How often do these experts pull back the curtain and tell us how they invest their own money? Never. *How I Invest My Money* changes that. In this unprecedented collection, 25 financial experts share how they navigate markets with their own capital. In this honest rendering of how they invest, save, spend, give, and borrow, this group of portfolio managers, financial advisors, venture capitalists and other experts detail the 'how' and the 'why' of their investments. They share stories about their childhood, their families, the struggles they face and the aspirations they hold. Sometimes raw, always revealing, these stories detail the indelible relationship between our money and our values. Taken as a whole, these essays powerfully demonstrate that there is no single 'right' way to save, spend, and invest. We see a kaleidoscope of perspectives on stocks, bonds, real assets, funds, charity, and other means of achieving the life one desires. With engaging illustrations throughout by Carl Richards, *How I Invest My Money* inspires readers to think creatively about their financial decisions and how money figures in the broader quest for a contented life. With contributions from: Morgan Housel, Christine Benz, Brian Portnoy, Joshua Brown, Bob Seawright, Carolyn McClanahan, Tyrone Ross, Dasarte Yarnway, Nina O'Neal, Debbie Freeman, Shirl Penney, Ted Seides, Ashby Daniels, Blair duQuesnay, Leighann Miko, Perth Tolle, Josh Rogers, Jenny Harrington, Mike Underhill, Dan Egan, Howard Lindzon, Ryan Krueger, Lazetta Rainey Braxton, Rita Cheng, Alex Chalekian

For readers of #GIRLBOSS and viewers of *Shark Tank*—a global revolution in entrepreneurship is under way, inspiring women to blaze a trail of financial self-reliance and become self-made. Featuring a foreword by Suze Orman. What does it mean to be self-made? It’s not just about having money, but financial empowerment is where it begins. It means getting out of survival mode, where you are one problem away from catastrophe. It means changing your mindset from instant gratification to goal orientation. It means being able to sleep at night without worry. It means being rich in every way: rich in money, rich in family, rich in love, rich in time—abundant! For Nely Galán—entrepreneur, TV producer, and real estate mogul—helping women to become self-made is a movement and a mission. Galán pulls no punches. She is the straight-talking friend and mentor you’ve always wanted, and here she shares valuable, candid, no-nonsense lessons learned on her own path to becoming self-made (“There is no Prince Charming”; “Think like an immigrant”; “In your pain is your brand”; “Don’t buy shoes, buy buildings!”). You’ll read inspiring stories of women who started and grew businesses out of ingenuity, opportunity, and need. You’ll find exercises to help you identify your goals and your strengths. You’ll learn tips and tricks for saving money, making money, and finding “hidden money” that can help jump-start your self-made dreams. When you become self-made, the change in you inspires change in those around you, because one of the greatest rewards of a self-made life is seeing how the sparks from your personal revolution can light a fire in others. So come, join the Self-Made movement. The revolution starts inside of you! Praise for *Self Made* “A much-needed and wise book that teaches women not to fear money but to see it as a means of reaching our dreams. Nely shows us how to become money courageous instead of finance fearful. I want to give this book to so many women (and men) I know. Thank you, Nely.”—Sandra Cisneros “Nely Galán and I have traveled the country together helping women grow their businesses and live their dreams. I know firsthand that Nely is the ultimate self-made woman and your best girlfriend. Her generosity of spirit jumps off the page as she shares the secrets of her hard-won success and her contagious confidence.”—Nell Merlino, creator of *Take Our Daughters to Work Day* and founder of *Count Me In for Women’s Economic Independence* “*Self Made* teaches women to unleash their spark and hustle. Nely inspires readers to use what they have to get what they want on their path to becoming self-made.”—Tory Johnson, “*Deals & Steals*” contributor on ABC’s *Good Morning America* and author of the #1 New York Times bestseller *The Shift* “You are not truly complete as a woman until you feel confident and empowered to make decisions about your money. Throughout my career, I have seen how a woman who takes ownership of her financial life is transformed and liberated, and how that in turn has a tremendous impact on her children. This is my belief and my personal experience, and it’s why *Self Made* resonates so strongly with me.”—Maria Elena Lagomasino, CEO of WE Family Offices and member of the board of directors of the Walt Disney Company, the Coca-Cola Company, and Avon Products, Inc. From the Hardcover edition.

Invest in Yourself

Author Sean Donovan is no stranger to difficult times. Losing two businesses, his home, and simultaneously going through the worst breakup of his life almost cost him his life. But it didn't. "His moment on the floor" redefined his purpose and attitude and gave him a second lease on life. Now Sean wants to share some of the strategies that helped save his life and rebound him into a state of happiness, health, love and success. If you're currently going through despair, crisis or depression, this book will empower you to put things into perspective and make profound changes in your life. Would you like to be able to help others or make a positive impact on the world? Sean offers a counter-intuitive approach to helping others; it's called selfishness. Lessons on achieving wealth, and happiness, doing well with money isn't about what you know. It's about what you do with it and how you execute it. And behavior is hard to teach, even to really smart people. How to manage money, invest it, and make business decisions are typically considered to involve a lot of mathematical calculations, where data and formulae tell us exactly what to do. But in the real world, people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In the psychology of wealth, the author shares 8 lessons exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important matters.

There is an abundance of books, seminars, podcasts, and webinars on being productive. Every day you may wake up and instantly think about how much you need to get done that day and wonder how you're going to get it all done. Most productivity resources focus on one major slice of our daily time pie: our work. But once the work day is done, how do we disconnect and focus on ourselves? How do we disengage from the rat race and engage in real self-care? In this practical and lighthearted book, Wendy Nolin serves up 10 simple yet powerful actions you can begin to engage in one by one that are free or inexpensive and will enrich your life, provide deep intrinsic value, and have long lasting impact. The Top 10 Best Investments in Yourself will inspire you to stop spending money on material items or numbing out on Netflix and show you 10 simple ways to invest your most precious resource, your time, in your personal well-being that will allow you to disengage from the rat race and achieve a greater sense of self. Making these small, consistent deposits into your "Self" account will enhance your personal and professional life and add value without taking capital. The best investment you can make is investing in yourself. It's an investment that can't be taxed or taken away from you and will provide benefits that are exponentially greater than any other investment you can make.

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

*Who Will You Be?* Have you taken any steps to invest in yourself? Recently? Do you know what investing in yourself means or looks like? It is a proactive process. Self-investment requires focus, deliberate action, and regular attention, and when you do so you can reap unimaginable rewards. This book has been designed to encourage you to think differently about your life and to be more proactive about investing in yourself. You need a framework to understand the basics of personal investment and to understand how best to tackle it. That is what we are here for. In the poignant words of author and poet Ralph Waldo Emerson - "The only person you are destined to become is the person you decide to be?" Who will you decide to be?

The tricks and tools you need to get more out of life than you ever thought possible Everyone wants more of something: more fun, more money, more time, more love, more friends, more knowledge, and *Play A Bigger Game: Achieve More, Be More, Do More, Have More* is the book you need to achieve—and exceed—these goals. A motivational resource and practical guide for helping individuals, companies, and organisations to realise their full potential, the book breaks down the challenges that can get in the way of success into easy to implement ideas and action plans. Written by one of Australia's most successful motivational speakers, Rowdy McLean, a man who has spent the last decade studying the key drivers of success and achievement, the book contains more than just goal setting advice, it's a definitive guide to goal kicking, helping you not only define what you want but providing the tools and resources you need to turn those dreams into reality. Packed with real-life examples that illustrate the concepts and practices presented Includes unique chapter-specific videos accessible by QR codes The definitive guide to getting what you want Filled with simple tools and strategies designed to help you get more out of life, *Play A Bigger Game* has everything you need to get where you want to go.

*You've Worked Hard. Paid Your dues, And Earned Your Success. Now What?* In *Invest in Your Life, Not Just Your Portfolio: A Guide to Achieving Financial Independence*, David Blain--founder and CEO of BlueSky Wealth Advisors--shares the revolutionary approach he now employs as a fee-only fiduciary advisor--an approach he developed to combat the out-of-control fees, conflicts of interest, and generally poor advice that plagues successful individuals and families across the country. You will be able to find a financial advisor who has your best interest at heart and can help you and your family plan for a lasting and fulfilling lifestyle. If you see money as a vehicle to reach your goal (as opposed to the goal itself), aren't looking to "beat the market," and are ready to listen to a trusted professional, then this book is just for you. It's time to invest in more than just your portfolio. It's time to invest in your life.

How can I be a successful business leader, make tough business decisions, and still heed God's call to generosity, compassion, and empathy? How can I be a faithful Christian and still be successful in the "real" world? It's easy to talk about how business and faith can live in harmony, but when the rubber meets the road, we often find ourselves tempted to compromise. We need to be reminded, challenged, and inspired to live lives of authentic faith in the workplace. The book you hold in your hands will do just that. *Invest Yourself* is the story of one man's quest to live his faith boldly and authentically in the workplace, and it will challenge you to think differently about how you can be a more effective leader. You'll be encouraged to put the needs of others first, assist them with their hardships, and inspire them to strive for excellence. Along the way you'll discover that business success and a deep Catholic faith aren't mutually exclusive, but instead together form the basis of a life that is rich in what matters. Book jacket.

#1 NEW YORK TIMES BESTSELLER • "The clearest and best book out there to get you on the path to riches. This one's special!"—Jim Cramer, host of CNBC's *Mad Money* "Great tools for anyone wanting to dabble in the stock market."—USA Today Phil Town is a very wealthy man, but he wasn't always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true "rules" are and how to make them work in one's favor. Chief among them, of course, is Rule #1: "Don't lose money." In this updated edition to the #1 national bestseller, you'll learn more of Phil's fresh, think-outside-the-box rules, including: • Don't diversify • Only buy a stock when it's on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can't help but regress to the mean—and as we've all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

The founder of LinkedIn demonstrates how to apply effective entrepreneurial strategies to an individual career, explaining how to navigate modern challenges by becoming more innovative, self-reliant and networked. 60,000 first printing.
