Meet Ove. He's a curmudgeon--the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him "the bitter neighbor from hell." But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. Kin is a dazzling family epic from one of Croatia's most prized writers. In this sprawling narrative which spans the entire twentieth century, Miljenko Jergović peers into the dusty corners of his family's past, illuminating them with a tender, poetic precision. Ordinary, forgotten objects - a grandfather's beekeeping journals, a rusty benzene lighter, an army issued raincoat - become the lenses through which Jergović investigates the joys and sorrows of a family living through a century of war. The work is ultimately an ode to Yugoslavia - Jergović sees his country through the devastation of the First World War, the Second, the Cold, then the Bosnian war of the 90s; through its changing street names and borders, shifting seasons, through its social rituals at graveyards, operas, weddings, markets - rendering it all in loving, vivid detail. "Townsend's wit is razor sharp" as her self-proclaimed intellectual adolescent hero continues his hilarious angst-filled secret diary (The Mirror). I can't wait until I am fully mature and can make urban conversation with intellectuals. Growing up among inferiors in Great Britain isn't easy for a sensitive fifteen-year-old "poet of the Midlands" like Adrian Mole, considering everything in the world is conspiring to scar him for life: His hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend, Pandora, is in shutdown; radio stardom isn't panning out; he's become allergic to non-precious metals; and passing his exams is as dire a crisis as the Falkland Islands. From weathering a profound but shaky romance with the love of his life to negotiating his parents' reconciliation to writing his poetry on restroom walls (why on earth did he sign his name?), "Adrian Mole is as engaging as ever" (Time Out). The sequel to the beloved The Secret Diary of Adrian Mole Aged 13¾ continues Adrian's chronicle of angst, which has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical. Adrian Mole is truly "a phenomenon" (The Washington

Post).

"It's a pretty long story," Primo Levi tells a classroom of children, "so I'll try to make it simple." Translated from the original Italian, this hauntingly illustrated comic tells the story of the Italian Jewish chemist who survived the camps at Auschwitz against all odds. Matteo Mastragostino draws on historical research, interviews, and Levi's own landmark books to piece together a fictionalized yet profoundly intimate portrait of a courageous figure. In the scene that emerges, Levi visits a group of schoolchildren to retell his life story and keep the memory of the Holocaust alive, answering innocent questions with hard truths. Sobering yet tender, Primo Levi extends a rare opportunity for readers both young and old to deepen their understanding of life, death, and the human spirit.
