Tehran, Iran 1979: Simmering religious tensions explode and the Shah is forced to flee Iran. A British helicopter company—secretly owned by the Noble House of Hong Kong—with a fleet of helicopters registered in Iran faces bankruptcy if their copters are claimed or destroyed by the uprising. The pilots need to escape, but they've built lives in Iran, some even have families. Finnish pilot Erikki Yokkonen has married Azadeh, an Iranian woman of noble birth, whose family is caught up in the political situation exploding around them. Tasked with saving as many of the helicopters as he can and desperate to save his love, Erikki and Azadeh become caught up in the events around them. Threaded throughout master storyteller James Clavell's novel Whirlwind much like a shimmering strand of silk woven through an elaborate Persian carpet, is the love story of two people from different backgrounds. They have been brought together by a love stronger than either one, a love stronger than the revolutionary fires that burn all around them. A moving story, expertly told, unthreaded from the original masterwork, and allowed to stand on its own, brilliantly. Chronological Explorer Steve Wilberforce has the whole of recorded history to save when his time machine falls into the wrong hands, a thief out to correct a mistake on her last heist. With car chases, scrapes with the law and time travel spanning five centuries, that's a lot to sort out. Add in bad costume choice and an automated man servant whose upgrade to distinguish himself from Action Man costs aC--500, things can only get worse. Bonus sneak peak material! steampunk missing link between Harry Flashman and Biggles. Can be found at the end of 'Digital Yesterdays' Picking up where PaxCorpus left us, Escape Velocity shoves you face-first into the abyss, grabs hold and never lets go. Follow Dante, Meryl and a ragtag squad of survivalists, who call themselves, Belligerent Underpaid Tactical Team, from the depths of the devastated state of New Jersey to the bowels of post-apocalyptic Manhattan. With less than a day's worth of supplies and their underground shelter lying in ruins, thanks to the terrorist cell, ZeroFactor, there is only one course-of-action--fight tooth and nail, bullet-by-bullet, to the enemy stronghold and Rift of Manhattan--or die trying. The insanity doesn't stop there. Cybernetically modified, former Harrisburg, Pennsylvanian cop, Dante Marcellus, has a new problem. An implant inside of his head, where a bullet had once been, acts as a telepathic network between him and the thought-to-be-dead, Nuhm De'Ara. Leaving a trail of bodies all the way to New York City, survival is less-than-certain, as their enemy clamps down with violent determination. And when there isn't even a glimmer of hope left for who remains, a man once known as Jack Marcellus returns--with vengeance and anger fueled hatred for the only person who could possibly save him from himself. This time, there will only be one man left standing. There are things much worse than the bite of a deader and the undead plague. Hunted by evil, her only escape was to find the light, but her broken wings couldn't carry her to safety. Why this tiny, suffering pixie was hunted by a monster troll seemed to be a simple urge - he needed to feed off her energy to keep living. Only a few hours to daylight, when the troll had to sleep to avoid the burning rays of sunlight, or being found by Truth-Seekers and forever imprisoned in stone. After the sun rose, she could heal herself by bathing in sunlight and escape forever. But why was this troll out of his territory and why was

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper *The National Era* scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to

be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

You just missed the last ferry home. Roll for initiative! Although Becca is Canadian and Morgan is from Wales, they have gamed together for years. Players use dice and words to create a story together in the imaginary world of the role-playing game they both enjoy, but the friendships formed amongst the participants are very real. Morgan and her partner Lynn live on a boat; as digital nomads, they travel where the whim takes them. When they have the opportunity to attend a conference for computer professionals near Becca's home, it's the perfect opportunity for Morgan and Becca to meet in realspace. Becca's planned the visit down to the last detail. She and Morgan spend the day on a scenic tourist island, and everything goes perfectly . . . until the last ferry leaves without Becca and she finds herself stranded on the island.

Occasionally you run across an outstanding individual who seems to stand out and excel in whatever they do. Jeff Lacy is such a person. This story follows Jeff through some of his exciting adventures, starting on a submarine patrol to the Western Pacific. While on patrol Jeff participates in a secret mission ashore, which results in being captured by the Russians. This is a story about the ordeal of their brutal interrogation sessions, then Jeff and Davy Black escape and we follow their evasion tactics until recapture this time by the North Koreans. Following repatriation Jeff gets an assignment to COMSUBLANT staff and later with the Beach Jumpers. While attending planning meetings in Washington, he interrupts an attempted hit on a prominent District of

Six decades after the end of World War II, new stories about the conflict continue to emerge. One of these is the subject of this book. Written by an American, Ranne Hemingway-Douglass, and published in the UK by Pen & Sword, it has all the elements of a classic covert adventure tale. As the book explains, the Shelburne was one of the later escape lines that operated within Nazi-occupied Europe. It was established at the end of 1943 by two agents who worked for MI-9, the London-based military intelligence agency responsible for providing assistance to Allied servicemen stranded behind enemy lines. Working with the French Resistance, these agents arranged for groups of Allied airmen to be taken from "safe houses" in Paris to Brittany, where a Royal Navy motor gunboat picked them up from a secluded beach and delivered them back to England. Eight audacious evacuation operations were conducted between January and August, 1944, without the Shelburne Line ever being infiltrated by the Gestapo. Aspects of the Shelburne story have been told previously in memoirs by several of the participants, including the late MP Airey Neave, who was an MI-9 operative. However, Hemingway-Douglass expands the story to include recollections of some of the local Breton people who were involved with the Line. The second half of the book comprises personal stories of airmen and other individuals who were affiliated with the Shelburne Line or were otherwise caught up in the war in France. A lifelong Francophile, Hemingway-Douglass

took eight years to research and write the book. She describes it as a labor of love that pays tribute to the heroism and courage of 'ordinary' people, while reinforcing the fact that war touches everybody.

Avi's suspense-filled, seafaring adventure gets a bold new package! It's 1851. Fifteen-year-old Maura O'Connell and her twelve-year-old brother Patrick are about to set sail on an epic voyage to America to flee the brutal poverty of Ireland and to be reunited with their father. Eleven-year-old Laurence Kinkle, the son of an English lord, runs away from home to escape his cruel older brother and start a new life in a new world. All three children face nothing but obstacles along the way--from stolen money to con men to hunger and fatigue. It seems that none of them will get out of the port city of Liverpool until fate brings them together. Avi's masterful plot-spinning skills create an adventure filled with unexpected twists and turns.

A stunning shapeshifter romance from the New York Times—bestselling author of Prince of Wolves and Prince of Dreams. Spending the summer in Minnesota as a child, Alexandra developed a strong bond with a wolf pup named Shadow. The encounter led to a lifelong love of wolves, and she has never forgotten Shadow—or the young boy she met one day who acted like her friend. Now, seventeen years later, Alex is no longer the innocent and carefree girl she once was, but she still finds solace in the wilderness and with the wolves she has dedicated her life's work to. Returning to Minnesota,

her joy at reuniting with Shadow is soon clouded by amazement, as the wolf reveals himself to be a man named Kiernan. Alex vows to help Kiernan, who is plagued with amnesia and believes he is responsible for a series of grisly murders. By discovering the truth—in both the past and in themselves—Alex and Kiernan will find the peace they need to heal and bridge the gap between their separate worlds. Praise for Susan Krinard “Susan Krinard was born to write romance.” —Amanda Quick, *New York Times*–bestselling author “The reading world would be a happier place if more paranormal romance writers wrote as well as Krinard.” —*Contra Costa Sunday Times* “A vivid, talented author with a sparkling imagination.” —Anne Stuart, *New York Times*–bestselling author

“Morgan’s latest Christmas tale will delight readers and give them the perfect excuse to snuggle up for a few hours with a cup of hot cocoa.”—Booklist on *The Christmas Escape* This Christmas, be whisked away by USA Today bestselling author Sarah Morgan in this uplifting novel of friendship, the festive season, and risking everything for the biggest gift of all... It was supposed to be Christy Sullivan’s perfect Christmas getaway—a trip to Lapland with her family and best friend, Alix. But facing a make-or-break marriage crisis, Christy desperately needs time alone with her husband. Her solution? Alix can take Christy’s little daughter to Lapland, and they will reunite there for Christmas Day. It’s a big ask, but what else are friends for? There’s nothing Alix won’t do for Christy. But Christy’s request to save Christmas is giving Alix sleepless nights. She

knows something is wrong, but for the first time ever, Christy isn't talking. And even the Arctic temperatures in Lapland aren't enough to dampen the seriously inconvenient sizzle Alix is developing for Zac, a fellow guest and nemesis from her past. As secrets unravel and unexpected romance shines under the northern lights, can Christy and Alix's Christmas escape give them the courage to fight for the relationships they really want, and save the precious gift of each other's friendship? "Me! A daddy? No way!" The invisible walls of the lone wolf's well-guarded emotions were trembling uncontrollably by the mere thought. Suddenly he woke up, but the damped sheets kept the shock in a tight grip and refused to let go of his sinewy shirtless body. The remote cabin felt empty without her presence. *****

Amanda was shocked when Phil threw her out on the street with just an hour's notice. Years of engagement and everything money could buy apparently meant nothing to him. If he couldn't maintain the family dynasty he would be disinherited. A huge blow to his ego and reputation. But she'd never expected to get spitted on, called barren, infertile and useless. ***** In a split second her whole life had been taken away from her. With nowhere to go and no money to call her own she soon realizes that her never-give-up attitude is becoming her best friend. The wilderness her opportunity. For others it's an escape from the past. Sometimes paths cross for a reason. All books in the 'Back On Fever Mountain' series are stand alone stories, with no cheating, plenty of steam and HEA.

Re-read Book 2 in the romantic suspense series Operation: Midnight by New York Times bestselling author Linda Castillo. Special Agent Jake Vanderpol swore he'd buried all tender feelings for Leigh Michaels. Until he learned that the arms dealer she'd testified against six years ago had escaped. Suddenly the memories were back...memories of urgent kisses in hiding. But after what happened, would she trust him to save her? Danger just exploded from her past with the same raw male power that first drew Leigh to her former agent-protector. Then Jake used her as bait to get his man, and she'd fled into witness protection. Now a killer wants revenge. But who will shield her heart from the only man she'd ever let touch her—body and soul? Originally published in 2005.

The howls of Guards on hunt shatter the air. Trinity can't let them catch her outside of the encampment or she and her family will be executed. She has to hide but where? She's surrounded by river and forest. A splash draws her gaze and the river-man's flipper slips under the water. Forest it is, because there's no way she's going into the river. She races into the woods, backpack slamming against her shoulders as

the calls of the Guards draw closer. Brush breaks and crashes behind her. They're too close. There's nothing for her to do but surrender. She raises her hands to her shoulders and slowly turns, but it's not the Guards who have caught her. A Tracker, the deadliest of predators, stands on its back two legs, towering above her, front legs hanging down like arms. Brindle fur covers its body and its eyes glow yellow in the shadowed forest. Its tongue lolls out the side of its mouth, exposing a row of sharp teeth on the other side. She should scream but all she can do is think, "Someone should tell it that they no longer exist in the wild." Author Interview Q. – Why should someone read the Lake of Sins series? If you're looking for your typical dystopian, post-apocalyptic, survival thriller then you should look somewhere else. This story has been described as a one of a kind world created in a unique dystopian society. The characters in the series are human-animal hybrids—genetic mutations or evil experiments, is yet to be revealed. It's an entire new species of characters who don't fit in the typical genre categories of vampire, werewolf, witch, fairies or even angels and demons. The world of the Lake of Sins is segregated by class with the humans ruling supreme. In book one, Escape, Trinity unwittingly sets off a collision between the classes when she flees into the forest to discover the fate of her kind. The books are fast paced with adventure and mutated creatures around every corner. There are legends that are truth and societal truths that are well guarded lies. All-in-all, it's a unique and exciting read and you should give it a try. I think you'll love it. The Conguise Chronicles series also takes place in the world of the Lake of Sins. These stories are prequels, explaining how some of the characters, who you meet in the Lake of Sins series, became monsters. Q. – Who should read the Lake of Sins series? Although there's a strong, female lead in Lake of Sins, the audience for both series is broad. I have

Acces PDF The Cabin Escape Back On Fever Mountain 1

fans (male and female) aged ten through eighty. Anyone who likes gory thrillers that are dark, a little disturbing and packed with action will enjoy these books. If you like Hunger Games, Lord of the Rings and The Island of Dr. Moreau, then you'll enjoy these tales. However, a word of caution is in order. These books are not for the squeamish. Some scenes are bloody and violent almost falling into the horror genre, but the interactions between the characters are funny, poignant and loving (and a love triangle develops as the stories progress). Still, I wouldn't recommend these books to anyone under thirteen without the parents reading the books first.

Critics call it controversial, twisted, and just plain messed up. Brain parasites, an insane planet ruled by retarded monkeys, violent video games turning teens into...something else, and a bio-weapon that will make you lose your appetite, for a little while. Craig Beck was a successful and functioning professional man in spite of a 'two bottles of wine a night' drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed. Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you though the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no 'will-power' required. Treats the source of the problem, not the symptoms.

at the beginning of the twentieth century, *The Escape Artist* catapults us into the lives of Sofia Teitelbaum and Hankus Lubarsky. Sofia, a nice Jewish girl from Poland, is lured away from home by Tutsik Goldenberg, a wealthy traveling businessman who claims to be a lonely Argentine diamond merchant in search of a wife. Upon arriving in Buenos Aires, Tutsik dumps Sofia at his sister's brothel. Hankus, also a nice Jewish girl from Poland, is passing as a man. Having escaped the pogroms of Poland that killed her family, she lives her life as a handsome and mysterious magician and escape artist. When Tutsik spots the talented juggler and acrobat Hankus he envisions success as his manager, seeing Hankus as the means to get out from under his sister's thumb. Sofia and Hankus fall in love and their attempts to walk the tightrope of love, freedom, and independence are quickly put to the test. Sex, deception, magic, and love are the main ingredients of this tour de force novel by Lambda Literary Award winner Judith Katz. In *The Escape Artist*, Katz reveals that all human interactions consist of love and hate, deception and candor, altruism and self-interest. This is as true in our lives today as it was in an immigrant community at the turn of the last century. Judith Katz is the author of two published novels, *The Escape Artist* and *Running Fiercely Toward a High Thin Sound*, which won a Lambda Literary Award for Best

Escape from Ludomania A Trinity Operations Novel By: Shane Twede
Escape from Ludomania! When Cougar, a black ops agent discovers that his best friend, Jack Leggett has been abducted, Cougar is determined to locate and rescue him. A brief incomplete phone call from Jack, a top-notch cyber security specialist, is all Cougar has to go on. Cougar's search and rescue mission takes him to the Caribbean, where he meets Kela, a beautiful island girl. Unfortunately, their romance is put on hold, as someone discovers the real purpose of Cougar's tropical visit, and gives him a very unwelcome reception. Beaten, but encouraged, Cougar knows he's on the right trail. But he also realizes that time is running out for his best friend, and possibly for him too.
