The Upside-Down Magic kids are back in another topsy-turvy adventure in the next installment of this New York Times bestselling series! It's Big Night in Dunwiddle . . . and that means the whole school has a sleepover like no other. For one night every year, magic students run through the halls, hunting for the objects that will win them a super special prize. Nory is super excited for the scavenger hunt. Not only because she likes winning, but also because if her team wins, she thinks there's a chance her best friend Elliott won't move away to attend super snobby Sage Academy. Sebastian is a little less excited once the hunt is on. Yes, he has magical powers that help his team -- like being able to see invisible things or anything that makes a sound. The problem is that the really loud sounds are hurting him . . . and nobody seems to care. The kids in Upside-Down Magic know their five F's (Flares, Flyers, Fuzzies, Flickers, and Fluxers) -- but to win this night, a sixth F is the most important . . . Friendship.

Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling approach, this edition of Words Their Way continues the phenomenon that has helped thousands of children improve their literacy skills. This Fifth Edition features updated activities, expanded coverage of English learners, and emphasis on progress monitoring. All new classroom videos, an enhanced assessment application tool available on a new Web Resources site, as well as enhanced word sorts, picture sorts and games offer teachers even more tools that will enhance their word study instruction.
